

**EDFR6300 Research Methods
HW04**

Name: _____ ID#: _____

Calculate descriptive statistics and generate diagrams

Based on a certain Mathematics Midterm Examination, Ms. Fernandez has obtained the following scores from her students:

Name	Sex	Score
Ann	F	8
Ben	M	8
Candy	F	7
Dan	M	5
Ethan	M	6
Fanny	F	9
Greg	M	6
Heather	F	7
Ignacio	M	7
Joy	F	7

A.

Find the following descriptive statistics:

1. N
2. Mean
3. Median
4. Mode
5. Range

B.

Generate the following diagrams:

1. Pie Chart (to show percentages of the two different categories of Sex)
2. Bar Chart (to show mean scores for the two different categories of Sex)
3. Histogram (based on Score)
